CHROMEBOOK UPDATES: Remember to update your chromebook if you haven't done so in a while. This will make your chromebook run more smoothly. If you are not sure how to update, ask a teacher or call our office.

WATER: Please remember to bring a water bottle to school with you. Shared drinking fountains are turned off due to Covid regulations so it is important that you bring water to school.

REMINDER: You should not come to school if you have any of the following symptoms: Fever, cough, congestion/runny nose, cold-like symptoms, nausea/vomiting, sore throat, headache, loss of taste or smell, difficulty breathing, fatigue/muscle or body aches. If you begin experiencing any of these symptoms while you are at school, please let your teacher know right away and/or go to the health office or office.

If anyone you live with has tested positive for Covid, you cannot come to school. Please have your parent call our office if anyone who lives with you gets a Covid test and it is positive.

PARSONS SWEATSHIRTS can be purchased in the office for \$30. We have small, medium, large and x-large in stock. (Note: If you pay with a check, your shirt will be held for a few days until your check clears). We also have long-sleeved t-shirt hoodies (dark gray/black) for \$25 and t-shirts for \$15.

Stickers on Chromebooks: Please do not attach any labels or stickers of any kind to your student chromebook. Labels and stickers are difficult to remove and they leave a residue on the device. Chromebooks are still owned by the school and they should be treated like school property.

ARRIVAL AT SCHOOL: Just a reminder, unless you have a zero period class, you should not be arriving at school before 8:15am. Please enter through the gate by the gym and go directly to your cohort.
